SOLD - 2005 Dodge Ram, Quad Cab, 1500, 4 Wheel Drive, Big Horn Edition. 5.7 Hemi, bedliner and cap.

Solid, reliable winter transportation, well maintained, everything works. 233,000 miles, mostly highway driven miles. New Goodyear Wrangler tires with four wheel alignment less than 7000 miles ago. Brand new radiator with oil change less than 500 miles ago. Nice sounding aftermarket stereo. The price is \$300 below the average Kelly Blue Book private party price for "Fair" condition although the truck is in "Good" condition except for the rusted areas typical for this era Ram. I will only respond to a phone call, 920-860-6450. Will not respond to texts or emails.
